REQUEST FOR INTEREST/WAITLIST FOR CHILD CARE FORM

There is no fee to join our waiting list. Once we have space, we will contact you and give you the option of taking the space or remaining on our waiting list. Once you have confirmed a space, we ask for a non-refundable \$90 enrollment fee. If your desired start date is more than one month away an additional fee may apply. This is to save the space for your child and ensure it is not given away.
